

ALL COMMITTED
**VISION
ZERO**.lu
SAFETY. HEALTH. WELLBEING

WE COMPLY WITH THE 7 COMMITMENTS TO **ROAD SAFETY** AT WORK

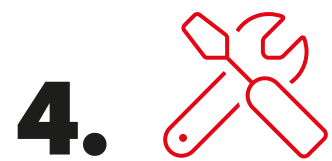

We require the use of seatbelts and compliance with speed limits.

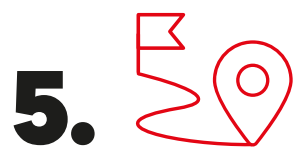

We prescribe sober driving on the road - no harmful substances.

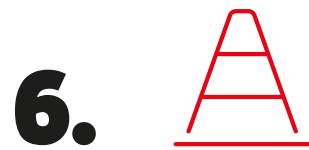

We limit communication while driving.

We encourage our employees to keep their vehicles in good working order and provide this service for company vehicles.

We organise our travel and include breaks for resting.

We promote defensive driving and provide road safety awareness and training.

We encourage our employees who use soft mobility devices to be properly equipped.
